ABOUT THIS HOME

The Parade of Homes, 2024 Silver winner, Model Home at The View, The Clark. A stunning three-level, European-inspired residence where elevated design meets everyday livability. This former model home sits on a generous 0.51-acre lot and delivers 3,549 square feet of thoughtfully designed living space in one of Durham's most sought-after communities. Two owner's suites: one on the main floor, one upstairs, for maximum space and privacy. The main-floor suite features a walk-in closet, dual vanities, linen storage and a spa-inspired tile walk-in shower with bench. The second-floor suite offers its own private bath and walk-in closet, making multigenerational living or guest hosting seamless. A grand two-story foyer sets the tone the moment you walk in. The open-concept main level flows from a spacious family room into a sun-filled breakfast area and a gourmet kitchen loaded with counter space and a large corner pantry. A formal dining room rounds out the entertaining experience. The laundry room with cabinets and a sink are at the garage door drop zone entrance.
