ABOUT THIS HOME

Ready in September! This multi-generational floor plan offers thoughtful design with dual owner's suites on both the first and second levels. The home opens with a stunning two-story foyer and formal dining room leading into an expansive kitchen with a corner pantry and plenty of counter space. The breakfast area flows into a spacious family room featuring a cozy fireplace and mantle. The first-floor owner's suite includes a large walk-in closet, dual-sink vanity, linen storage, and tiled shower with seat. Upstairs, you'll find the second owner's suite, two additional bedrooms, a versatile loft, and a massive media room that can double as a game room, theater, or fifth bedroom. Holston by McKee Homes is a new construction community ideally situated at the end of a residential street, offering double-sided sidewalks, a playground, and dog park. Conveniently located just minutes from downtown Fuquay-Varina and approximately 10-12 minutes to Holly Springs shopping, dining, and amenities.
