ABOUT THIS HOME

Step into the Nelson floorplan and immediately notice the charm of the traditional study off the foyer - an ideal space for a home office or playroom. Wainscoting details in both the foyer and dining area elevate the entry with timeless character. The main level opens into a wide and connected living space featuring the dining room, family room, and a contemporary kitchen with island and breakfast nook, all flowing seamlessly to the outdoor patio. Upstairs, the expansive owner's suite includes a huge walk-in closet, dual-sink vanity, shower with seat, and linen closet. This home is designed with three additional bedrooms along with a full bath and convenient laundry room. An unfinished third floor offers over 500 additional square feet, ready for storage now or a future finished retreat with endless possibilities. Holston by McKee Homes is a new construction community ideally situated at the end of a residential street, offering double-sided sidewalks, a playground, and dog park. Conveniently located just minutes from downtown Fuquay-Varina and approximately 10-12 minutes to Holly Springs shopping.
