ABOUT THIS HOME

This move-in ready Nelson floor plan by McKee Homes combines classic character with an airy, connected layout in Fuquay-Varina's newest community. Elegant wainscoting guides you past a versatile front study—ideal for a home office or playroom—into a wide-open main floor designed for effortless gathering. Here, the modern kitchen island, dining area, and family room flow naturally out to the private patio. Upstairs, the sprawling owner's suite serves as a true retreat with a massive walk-in closet and dual-sink bath, balanced by three additional bedrooms, a full bath, and a dedicated laundry room. Need extra space? An unfinished third floor adds over 500 square feet of immediate storage or room for a future bonus area. Complete with sidewalks, a playground, and a dog park, this location sits just minutes from downtown Fuquay-Varina and Holly Springs amenities.
