ABOUT THIS HOME

Ready in December! This McKimmon floorplan offers over 2,500 square feet of flexible living space designed for today's needs. The first floor features a guest bedroom that can serve many purposes right next to the full bathroom. The kitchen includes extended cabinetry for additional storage and prep, and it flows seamlessly into the open dining and living areas. Upstairs, a spacious loft provides another flexible-use area, ideal for media, hobbies, or relaxation. The expansive owner's suite includes a large walk-in closet and a well-appointed bath. Two additional bedrooms, a full bath, and the laundry room complete the second floor. Holston by McKee Homes is a new construction community ideally situated at the end of a residential street, offering double-sided sidewalks, a playground, and dog park. Conveniently located just minutes from downtown Fuquay-Varina and approximately 10-12 minutes to Holly Springs shopping, dining, and amenities.
