ABOUT THIS HOME

Space to gather, work, and unwind—all in one thoughtfully arranged home. Enjoy a main-level gathering space for entertaining and an upstairs loft for movie nights, projects, or a dedicated desk setup. Built by McKee Homes, this Max townhome offers two bedrooms and 2.5 bathrooms within 1,826 square feet. Quartz kitchen surfaces, an island, and carpet-free floors bring together style and everyday practicality. A private primary bath includes dual vanities and a walk-in shower, with a walk-in closet completing the suite. The second bedroom sits near a full bath, and upstairs laundry helps keep chores close at hand. A patio and attached single-car garage extend the home's usefulness beyond its living areas.
