ABOUT THIS HOME

McKee Homes presents the Mallard single-story ranch-style floorplan. As you enter the home into the foyer, the spacious great room immediately catches your attention. The open-living concept flows from the great room into the large kitchen with ample cabinet and counter space to the dining area which opens out through a sliding glass door to the rear patio. The owner's suite features a full, en suite bathroom and large walk-in closet big enough for his and hers wardrobes. Two guest bedrooms, another full bathroom, and spacious laundry room with optional sink and cabinets round out this well-designed floor plan.
