ABOUT THIS HOME

McKee Homes presents the Mallard single-story ranch-style floorplan with a en suite upstairs. As you enter the home into the foyer, the spacious great room immediately catches your attention. The openliving concept flows from the great room into the large kitchen with ample cabinet and counter space to the dining area which opens out through a sliding glass door to the rear patio. The owner's suite features a full, en suite bathroom and large walk-in closet big enough for his and hers wardrobes. Two guest bedrooms, another full bathroom, and spacious laundry room with optional sink and cabinets round out this well-designed floor plan.
