ABOUT THIS PLAN

The Barton floor plan by McKee Homes offers a smart, streamlined design that prioritizes comfort, ease, and everyday living. Featuring **2 bedrooms, 2 bathrooms, and a 2-car garage**, this single-level home is ideal for those seeking a low-maintenance lifestyle without sacrificing thoughtful design.

The open-concept layout creates a seamless connection between the kitchen, dining, and living areas—perfect for both quiet evenings at home and casual entertaining. A well-appointed kitchen sits at the heart of the home, while the private primary suite provides a relaxing retreat with convenient access and functional design.

For added flexibility, the Barton offers an **optional flex space with an additional bedroom and bathroom**, giving you the ability to customize your home to fit your lifestyle—whether for guests, hobbies, or a home office.

With efficient use of space and carefully considered details throughout, the Barton is designed to simplify your day-to-day while still offering the comfort and quality McKee Homes is known for. Whether you're downsizing or embracing a more relaxed lifestyle, this plan delivers the
