ABOUT THIS PLAN

The Pinehurst is a thoughtfully designed one-story home that makes everyday living feel effortless. Its open family room, dining area, and spacious kitchen create a natural gathering place, while the covered porch extends your living space outdoors. The private primary suite features a large walk-in closet, with two additional bedrooms offering plenty of room for family, guests, or a home office. Make the Pinehurst your own with options like a screened porch, fireplace, tile shower, side-load garage, or three-car garage, plus four distinctive exterior styles to choose from.
